

Don't Pay 4 It

Dj Khaled

(Hook : Kirko Bangz)

Say I ain't tryin' to pay for it

Man I'm too bad for that

Too many bitches in the world right now

Let 'em fuck around and pray for none

Say I ain't tryin' to pay for it

I don't pay for no pussy

I won't pay for no pussy

And I ain't buying no gucci

Say I ain't tryin' to pay for it

I'm a motherfucking G

And I should make these bitches pay me

Say I ain't tryin' to pay for it

Hell man nah I'm too dope

Niggers taking shows ,make a lot of money

Writing shit for these hoes

(Verse : Wale)

Pay for that ,not me no hell

Gotta want them baby see yourself

This is COD and they wait on me

'Cause if I knew how to ride there would be no shows

Wale,Wale here you talking but I cannot stay

Chicks evolve but I cannot stay

I spit the raw I live the caged bitch layed

Tyga dates who I lick

Tyga hates who are great

Turn the light and I'm dayum

Without paying for the day

Know the man, ain't no John you are broke just say it

Just to kiss those broads you been playing Uno

But you getting no jaws and a poker face

And let her no cards

I mean trippin' or payin' these women

Got plenty fish in that ocean

And my ride game is so bitches

And my sharp show is at 4:15

Can I use the rip in 5:15

Nah I sex her too, 'cause I get the loop

And she gon' kiss the ring

(Verse : Tyga)

Clap that ass bitch,turn up
Nigga gettin' pussy callin' murda
Swerving the murcielago
Leave without a foreign car,menace I heard 'em
Layed back,king with my feet up
Curtains are up, bitch scream when you see us
High give me lead up,work toward nigga
25 hundred for the snikers
Dope ass nigga no peeper

I was 16 with a bimmer
Glock with a watch on aquafina
Niggers goin' high heels on
Gettin' pussy post it up at the dinner
Then we pull up postin' the divas
Well the lights can't fit like Gina
Aston Martin, then I'm fuckermofucking cold like Kesha
Stop the signs,Simon says

We don't give a fuck when we cum on them
Like tie me up, ben bentley man
Mad broke niggers we don't give a damn
I don't fuck around I just fuck her friends
Got eagle dose on that pair of benz
In the three summer two 20 twins
I'm rich bitch fuck

Before I chase you I replace you
Before I'ma break you off I'ma break you
As a matter of fact fuck you
Got a hundred chicks on my tour bus
Asian chicks they adore us
I'm feeling like the nigga on the chorus
I got this drink in my cup
And I'm about to roll up
Madness miss talking too much dawg
I came down,hold up
Heard a nigga say pimp was dead
I showed up I watched and corrected
I'm quick like night niggers you scared

It's money over bitches and bread over bed
Tell her bitch that I know Khaled
And she take it to the head
Shit,one go to the store for me
Got another one ness tryin' to hold for me
Hopefully she bring more hoes to me
I reverse the game, I make her bring home to me
