

# Spark (Tom Middleton Mix)

[Amy Macdonald](#)

Don't wanna see the stars  
Don't wanna see the moon  
Don't wanna see the sun  
That rises up too soon  
Don't wanna see the day  
Don't wanna see the night  
Oh the afternoon it feels about right  
I am a spaceman flying high  
I am the astronaut in the sky  
Don't worry, I'm ok now  
I am the light in the dark  
I am the march  
I am the spark  
Don't worry, I'm ok now  
After the sun always comes the rain  
Followed by hurt and pain  
After the light comes the dark  
After the love comes the breaking of my heart  
I am a spaceman flying high  
I am the astronaut in the sky  
Don't worry, I'm ok now  
I am the light in the dark  
I am the march  
I am the spark  
Don't worry I'm ok now  
I am a spaceman flying high  
I am the astronaut in the sky  
Don't worry, I'm ok now  
I am the light in the dark  
I am the march  
I am the spark  
Don't worry I'm ok now  
Just dry your tears and I'll be there  
Don't leave for anger or despair  
Don't worry, I'm ok, I'm ok now
