Now and Then

Moonchild

Deeper in to the blue, why do the colors fade
I opened my hands but the sand finds a way to stay
Reminding meComing back home everything breathes a new life, a new life
Visions from now and then turn to a butterflyNow and then
Remember when
Your path is proof
Of strength within
Just turn aroundTake it in deep, the cold and the evergreens
Let it crystalize there inside, quietly in between, rememberingComing back painted with time in another life
Visions from now and then rise to a new light
Now and then
Remember when
Your path is proof
Of strength within
Just turn around
