

Too Long

Sammie

Well, how you like it?Baby I ain't judging
I know we just met if so happen that we sexed
Girl take all my loving
Kiss me like you mean it while I slide up in between it
Hope you don't mind
If I put my name on it
If I put my claim on it
Have you for breakfast in the morningHope you don't mind
If I make you fall in love
Then we break up just to make up
What do you say, don't think too long
You ain't gotta be scared
Baby Imma take care of your body
Girl don't think too long
Please believe me I'm the man
Imma please you, yes I am
Understand but don't think too long
Don't think too long
Don't think too long
Don't think too long
Please believe me I'm the man
Don't think too longBaby don't think too hard when you think about nah
Baby don't think too hard when you think about nah
Baby don't think too hard when you think about nah
Please believe me I'm the man
Girl don't think too long
I'll become one with your body (body)
We'll become one with our bodies (bodies)
I don't need manners girl I like it sloppy
We working it out like pilates
Yoga baby on me (go in on a)
A half a baby on me (go in on me)
Wet up you be messing up my sheets, ayye
Wet up you be messing up my sheets
Hope you don't mind (hope you don't mind if I)
If I put my name on it (put my name it)
If I put my claim on it
Have you for breakfast in the morning (in the morning)
Hope you don't mind (hope you don't mind)

If I make you fall in love
Then we break up just to make up
What do you say, don't think too long You ain't gotta be scared
Baby Imma take care of your body
Girl don't think too long
Please believe me I'm the man
Imma please you, yes I am
Understand but don't think too long
Don't think too long
Don't think too long
Don't think too long
Please believe me I'm the man
Don't think too long Baby don't think too hard when you think about nah
Baby don't think too hard when you think about nah
Baby don't think too hard when you think about nah
Please believe me I'm the man You remind of me of my cheever
Something like my sound
Girl you look just like my car
What do you say baby
Don't think too long
Yea you remind of me of my cheever
Something like my sound
Girl you look just like my car
What do you say baby, oh Girl don't think too long
Don't think too long
Don't think too long
Please believe me I'm the man
Don't think too long
Baby don't think too hard when you think about nah
Baby don't think too hard when you think about nah
Baby don't think too hard when you think about nah
Please believe me I'm the man
Girl don't think too long
