

Love, Love, Love

Angela Predhomme

Love, Love, Love

Na na na . . . 4x

Love, love, love . . Oh, love, love love

Love, love, love . . Oh, love, love love

Each and every day, Iâ€™m gonna

Do the things that say

(chorus)

Letâ€™s love each other, find the best of us, through love

Letâ€™s love each other, Love is only good, so good, oh, so good

(verse 2)

Na na na . . . 4x

Love, love, love . . Oh, love, love love

Love, love, love . . Oh, love, love love

Iâ€™ll take the higher road

â€™Cause Iâ€™m in growing mode

(repeat chorus)

(bridge)

Songs have already been sung

About imagining living in peace

Yet it rolls off my tongue

Because love it still all we could need

(repeat verse)

(repeat chorus)
