

# Shop Around

## New Edition

I never move too fast girl  
When it comes to lettin' my feelings show  
I like to take my time out  
I like to do it slow  
'Cause a man's got to do  
Every woman he can  
'Cause it's in our nature  
Said it's in my nature First come, first served  
Is the way some do it, but not me  
I, shop around, shop, shop around  
First come, first served  
Is the way some do it, but not me  
I, shop around, shop, shop around I've got expectations  
What my settle down should be  
She got to be stacked head to toe  
She's gotta be down for me And I won't settle for nothing less  
But the cream of the crop  
Girl I gotta have the best  
Don't let, don't let, I won't let  
You sell that game  
'Cause I know I want that  
And you know what you gotta bring You don't have to tell me  
About the things that's goin' on  
I know how to pick and choose, win or lose  
I know a good thing when it's goin' on First come first served  
Is the way some do it, but not me  
I, shop around, shop, shop around  
First come first served  
Is the way some do it, but not me  
I, shop around, shop, shop around  
Yeah So what'cha gonna do  
Say you wanna get down, aah  
So what'cha gonna do  
Say you wanna get down First come first served  
Is the way some do it, but not me  
I, shop around, shop, shop around  
First come first served  
Is the way some do it, but not me  
I, shop around, shop, shop around She gotta be stacked head to toe

She gotta go for what she know  
'Cause that's the kind of girl that I need  
She gotta be stacked head to toe  
She gotta go for what she know  
'Cause that's the kind of girl that I need
