Goin' Away Party

Willie Nelson, Merle Haggard, & Ray Price

I'm throwin' a goin' away party
A party for a dream of mine
So put me somewhere off in a corner
With a glass and bottle of your party wine
Don't worry it won't be a loud party
I feel too low to get too high
It's just a sad goin' away party
For a dream I'm telling goodbye
I'm throwin' a goin' away party
A party for a dream of mine
Nobody's coming but a heartache
And some tears will drop in now most anytime
Don't worry it won't be a loud party
Dreams don't make noise when they die
And so since it's a goin' away party
Go away and let me cry
Hey, it's just a sad goin' away party
For a dream I'm tellin' goodbye, goodbye
