

# Baby I'm Scared of You

## Womack & Womack

Verse 1:

Come, if you got real love for me, Stay away , if you got games and tricks for me  
I wana man that means everything he say and not a boy full of play, pulling rabbits out his hat everyday  
Oh, baby im scared of you

Chorus:

I....I don't believe in magic (magic)  
I believe in love everlasting  
I can't understand that

Verse 2:

Houdini, Houdini, was a great magician, he could crack a lock from any position, But my heart is nothing like  
those locks and you're falling last of my brand of stock, like little red riding hood, you're the fox  
Oh baby im scared of you

Chorus:

I....I believe in magic, I believe (I believe) in love everlasting, Don't go pulling no rabbits out your hat, It'll be  
all I want from that, Baby now I can't go for that  
I can't understand that baby (naw naw)  
I can't understand that

DUET:

W: You ain't no Houdini

M: Ah, I know I ain't

W: I can't understand that baby

M: Like Rudolph Valentino, I can fall down on my knees, pull flowers out my sleeve

Because I know you will be pleased, I Wonder

W: I can't understand that baby, I can't understand that

M: Look, I can pull flowers out my hat , do a disappearing act, come back on you so strong, Girl I  
really turn you're loving on, I Wonder

W: I can't understand that baby, I can't understand that, I need a man

M: I'm available

W: Mean everything he say, don't need a boy full of games and tricks everyday, I can't understand that  
baby (naw naw) I can't understand that

M: Baby let me groove ya

W: Ah Ah Ah I need ah lil more

M: Baby let me soothe ya

W: Oh Oh Oh baby I need ah lil more

M: Baby let me hold ya

W: Aw Naw I need ah lil more

M: Baby let me squeeze ya  
W: Aw Aw child I need ah lil more  
M: Baby what you want  
W: Aw I need ah lil more, Oh baby I need ah lil more  
M: Baby let me hold ya  
W: Aw Aw Aw baby I need ah lil more  
M:: Gonna wana control ya  
W: Oh no baby I need ah lil more  
M: Baby what you want  
W: Ah Ah baby gimme plenty good loving  
M: Baby let me kiss ya  
W: Aw Naw baby need a lil more  
M: Baby let me hold ya  
W: Hey baby I need a lil more  
M: I wana jus squeeze ya  
W: Aw baby I need ah lil more  
M: I wana jus tease ya  
W: Come on baby I need ah lil more  
M: I'm going on bout my way, I can't do nun for you
