

# Hey Ya (Solo Version)

## Obadiah Parker

My baby don't mess around  
Because she loves me so  
And this I know for sureBut does she really wanna  
But can't stand to see me  
Walk out the doorI can't stand to fight the feeling  
'Cause the thought alone  
Is killing me right nowI thank god for mom and dad  
For sticking two together  
'Cause we don't know howHey ya  
Hey ya  
Hey ya  
Hey yaYou think you got it  
Oh you think you got it  
But got it just don't get it  
Till there's nothing at allWe get together  
Oh we get together  
But separate's always better  
When there's feelings involvedIf what they say that  
"Nothing is forever"  
Then what makes, then what makes, then what makes  
Love the exceptionSo why oh why oh why oh why oh why oh  
Are we so in denial  
When we know we're not happy hereHey ya  
Hey yaNow alright now fellas  
Oh what's cooler than being cool  
I can't hear ya oh no  
I said what's cooler than being coolAnd alright alright alright alright  
Alright alright alright alright alright  
Alright alright  
Alright now ladiesWe're gonna break it down in just a few seconds here
