In My Room

Insane Clown Posse

2:45 and the bell went off,
thank god
many people think im odd
but i talk with no one and I walk alone and I aviod sunlight with a chalky tone I get home and dont say hi,
it aint no one there
I dont care I walk in and go right up the stairs to my room,
get in bed and just for for dark,
because that's when the real show starts (tap tap)
"tap tap" on the glass go the piece of ass,
so young and pretty it's to bad she past
but she comes to my room and we talk at night,
she's demonic and bloody,
but she holds me tight
In my bedroom
with her I'm never alone,
and I kiss her cold lips until the morning come
and she gone,
I can still hear her voice loom,
but she only exist in the dark of my room
LOVE...
(I can't ignore you)
IN MY ROOM...
(do anything for you lady)(Tap Tap)
LOVE...(I do adore you)
IN MY ROOM...(Tap Tap go the piece of ass)
YOU AND I (x2)I try to smile alot but I'm always frontin',
but I do love a ghost and at least that's somthin'
She dont talk much,
when she do it gets cold,
Usually we just lay there and we hold each other
we're lovers,
we don't need others,
one of my mothers cats jumped up on the covers
and it scared my baby,
guess she dont like pets
so I twisted it's fuckin head off at the neck
look baby,
it's bloody,
it's gone,

it's doomed,
please
come back to the room
I'll do anything for thee,
don't ignore me,
this is more than a sick love story
without you I'd bring a shot gun to school and I will if you want me to.
For any reason
I hate that you leave when the lights come on
AND IF I HAD IT MY WAY THE FICKIN SUN'D BE GONE
(chourse x2)
Sometimes I kiss her,
I start shakin',
She slips me the toungue and it's taste like bacon
Uh-oh,
Somthing's wrong
baby's upset,
she told me she was spotted by the neighbor's kid
She can't come back now 'cuase they know our secret,
unless I can make them keep it.
If I do she may come to life,
now I'm in their yard with a shotgun and knife
Cut the screen,
went in and found the kid,
blew a bowl of spaghetti in the side of his head
the daddy was next runnin' down the hall,
I shredded his throat and he was quick to fall
Tossed the Mossberg and gripped the knife,
started stabbin' the shit outta his wife
Went home a bloody mess with a job well done,(Tap Tap)
wash up and wait for my baby to come
(chourse x2)I waited 2 or 3 days
4 days,
waitin for the tap tap like always
I waited
and hated this(Tap Tap) I
created a bloody mess (Tap Tap)
I waited 2 or 3 months
4 months
waitn' for the tap tap just for once
I waited
and hated this (Tap Tap) I
created a bloody mess (Tap Tap)
I waited 2 or 3 days
4 days,

waitin for the tap tap like always
I waited
and hate this (Tap Tap) I
created a bloody mess (Tap Tap)
I waited 2 or 3 months
4 months
waitn' for the tap tap just for once
I waited
and hated this (Tap Tap) I
created a bloody mess (Tap Tap)
