

You Should Be Mine (Don't Waste Your Time)

Brian McKnight

Mase and Brian McKnight

Bay Boy we dont' stop, we rock we rock

Yo,I hit you the sound that the world can't take

Came straight out the gig playing two point eight

Near studded, jewel flooded, got to love it

First rap cat with an R&B budget

Everyday on the TV, me and PD

Girls see PD, make their man break the CD

Why ya'll forever rowdy, I'll be outie

Somewhere in Maui, 'til I go back to CaliCan't understand how he can treat you

The way that he does

Give me the chance to show you baby

You're better off with me

Oh so baby let me try, I wanna make you smile

I wanna love you like you need to be loved

I'll never let you down, I'll always be around

And you should be mineIf he don't love you right, don't waste your time

If he don't treat you like you should, then you should be mineWhy can't you see you should be happy

And I don't know why

You don't believe a man can love you

For the rest of your life

Oh so, baby let me try, I wanna make you smile

I wanna love you like you need to be loved

I'll never let you down I'll always be around

And you should be mineIf he don't love you right, don't waste your time

If he don't treat you like you should, then you should be mineYo, what the deal honey, insecure, feeling funny

I know you're used to dealing with cats with real money

Also know you like Mase in alot of ways

But it's hard to go on when your lonely on the holidays

When you shop should you shop for two

Take you where the waters aqua blue

Let you fall back, treat you like you all that

Under umbrellas with your shades and your straw hat

You ain't the one out clubbin' all day and all night

Just to save a fight you say what's right

And I know he ain't the cat that will stay in your life

Even though he gave you ice that'll make you his wife

How a man deserve you if he hurt you

How you give a woman 25 a curfew

Between me and you, you ain't heard that from me
'Cause Mase ain't the player with the PHD Girl, come into my world
I'll love you the way that you need to be loved
No worries no more, girl open the door
And don't waste your time
'Cause you should be mine If he don't love you right, don't waste your time
If he don't treat you like you should, then you should be mine
