

# Feed The Gods

## White Zombie

She's a zombie baby, dead ringer in my head  
And now we're rollin', we're empty playin', yeah  
Hey yeah, like a zombie breathin'  
Hey yeah, been thinkin' of your life  
Hey yeah, like a desert monkey  
Hey yeah, we go down inside  
Like a creep or solar center  
Ooh, a dirty little sister  
Wow, I'm gonna kill it  
I'm gonna kill it, damn  
(Dead?)

Freak out and feed the Gods  
Do you know what it means to feel like God?  
Creep on the wheels of love  
Do you know what it means to feel like God?  
Hey hey yeah, like your hands on my back  
And, hey hey yeah, be a big man or bleed  
Hey hey yeah, like a days last moment  
Hey hey yeah, give me what I, I need  
To suck up and give out, ooh, a dark creep lover  
I'm gonna kill it, I'm gonna kill it yeah  
Freak out and feed the Gods  
Do you know what it means to feel like God?  
Creep on the wheels of love,  
Do you know what it means to feel like God?  
Yeah, get a load of this, gonna get away  
One hell beast shot over me, yeah  
In another life gonna break you down, smash all over me  
Yeah, gonna bleed from life a shrapnel wound  
I wasn't made to suffer, huh shootin' on the run  
Gonna wreck 'em yo, you can't just dump 'em  
Freak out and feed the Gods  
Do you know what it means to feel like God?  
Creep on the wheels of love  
Do you know what it means to feel like God?  
Hey yeah, It's alone in my head  
Hey yeah, and I think of the past  
Hey yeah, I'm a dirty mouth  
Hey yeah, because I'm alive

And, yeah, I'm only people's sole assassin  
Ooh, a dirty little witch I'm gonna kill it  
I'm gonna kill it, yeah
