Fa fa fa

Azra

No matter how they look at you
You can come back to meIn my pockets rotors steam
What voice do I let slip in me?I'll never forget what it felt like
Before we were a "You & Me"A dreamless sleep, I feel so out of it...A salmon said:
"If I seem lost, know I've been living since just when morn"Fa Fa Fa - Guess you're not out there
Fa Fa Fa - Now they did it on Wendy hereNow I'm spinning on the inside
Since "You & Me" are not very deep in love
I made a river out your eyes
In your palms I was a sleeping doveFa Fa Fa - Guess you're not out there
Fa Fa Fa - Now they did it on Wendy here
