Midnight Symphony

Lester Young

almond skin
bedroom eyes
body like a lullaby
and all i need is you lovelets compose a symphony
an overture of ecstasy
over and over and over againoh i, oh i
yeah i'm feeling you tonight
oh i, oh i
feel the energybaby girl like a dream
vision of perfection lying next to me
let me stoke the flame
ride into oblivion we'll never be the sameoh i, oh i
yeah i'm feeling you tonight
oh i, oh i
feel the energywe're making sweet love
making sweet lovethis time i know
i will find every spot on your body
my baby you got me tonightbaby girl like a dream
together in this moment for eternity
let me stoke the flame
ride into oblivion we'll never be the sameoh i, oh i
yeah i'm feeling you tonight
oh i, oh i
feel the energywe're making sweet love
we're making sweet lovethis time i know
i will find you again
don't you ever let me go
cause i love you
love you
love youoh i, oh i
yeah i'm feeling you tonight
oh i, oh i
feel the energy
