

Myopic Void

Captain Beyond

I'm so common

So common

On your grave

On your grave

I'm so common

So common

On your grave

On your grave

I'm so common

So common

On your grave

On your grave

I'm so common

So common

On your grave

On your grave

I'm so common

So common

On your grave

On your grave

I'm so common

So common

On your grave

On your grave

I'm so common

So common

On your grave

On your grave

I'm so common

So common

On your grave

On your grave

I'm.....

Dancing madly backwards

Dancing on a sea of air

Dancing madly backwards

Dancing on a sea of air

Dancing madly backwards

Dancing on a sea of air
