Rather Be Dead

The Donegal X-Press

Rather be dead
Than alive by your oppression
Rather be dead
Than alive by your designPoisoned my fingers
Burned out my eyes
Cut up my throat
To be aliveRather be dead
Than alive by social values
Rather be dead
Than alive by your traditionPoisoned my fingers
Burned out my eyes
Cut up my throat
To be aliveRather be alive
Rather be alive
Rather be alive
Rather be aliveRather be alive
Rather be alive
Rather beRather be alive
Rather be alive
Rather beRather be alive
Rather be alivePoisoned my fingers
Burned out my eyes
Cut up my throat
