

# Inertia Creeps (Manic Street Preachers Mix)

## Massive Attack

Recollect me darling, raise me to your lips  
Two undernourished egos, four rotating hips  
Hold on to me tightly, I'm a sliding scale  
Can't endure, then you can't inhale  
Clearly, out of body experience interferes  
And dreams of flying I fit nearly  
Surrounds me though I get lonely Slowly, moving up slowly  
Inertia keeps, she's moving up slowly  
Slowly, moving up slowly  
Inertia creeps, moving up slowly  
She comes, moving up slowly  
She comes, moving up slowly  
Inertia creeps, moving up slowly  
She comes, moving up slowly  
She comes, moving up slowly In my home no chrome as clear as  
See me now with my nearest dearest  
Been there when I'm over careering  
Room shifting is endearing  
Between us is our kitchen  
Would you found my irritants itching?  
Been here before, been here forever Moving up slowly  
Inertia keeps, moving up slowly  
Inertia creeps, moving up slowly  
Inertia keeps, moving up slowly  
She comes, moving up slowly  
Moving up slowly  
She comes, moving up slowly  
Inertia creeps, moving up slowly  
She comes I make no sound in my Eiderdown  
Awake I lie in the morning's blue  
Room is still, my antenna in you  
Nylon burns, the bedspread with two  
Gravity's zero, see me stall  
I bounce off walls, lose my footing and fall  
It can be sweet though incomplete though  
And the frames will freeze, see me on all four's  
It's been a long time She comes, she comes  
I want to X you, she comes  
I want to X you, she comes

I caught your radio waves  
I caught your radio waves  
Will you take a string?  
Say you string me, Say you string me  
Say inertia creeps, inertia creeps and she comes  
Say she comes, say she comes, say she comes, say she comes
