

# Love This Pain (iTunes Session)

## Lady Antebellum

She's no good for me  
I know that she's a wild flower  
She's got a restlessness  
A beautifulness, a thing about her  
But here I am again calling her back  
Letting her drive me crazy It's like I love this pain a little too much  
Love my heart all busted up  
Something 'bout her, we just don't work  
But I can't walk away  
It's like I love this pain It's just an on again  
And off again situation  
It's just striking a match  
A tank of gas, combination  
But here I am again lighting it up  
Knowing that she'll just burn me It's like I love this pain a little too much  
Love my heart all busted up  
Something 'bout her, we just don't work  
But I can't walk away  
It's like I love this pain It's like I love this life  
When nothing's right, yeah something's wrong  
It's like I'm just not me  
If I can't be a sad, sad song It's like I love this pain a little too much  
Love my heart all busted up Something 'bout her, we just don't work  
But I can't walk away  
It's like I love this pain It's like I love this pain  
I can't walk away, oh yeah  
It's like I love this pain
