

Skin Deep

Natasha Thomas

You're telling me that I'm your queen
That nothing matches me
You're making me feel like a dream
The way you flatter me
Are you just another fake
Or something special?
(Yeah, yeah, yeah)
(Yeah, yeah, yeah)
You're telling me that I'm too cool
You say I'm beautiful
I gotta tell you I'm no fool
I'm kinda cynical
Boy, have you got what it takes?
Something special
(Yeah, yeah, yeah)
Don't think this beauty's skin deep
(Yeah, yeah, yeah)
I need more than you're giving me
Skin deep
(Yeah, yeah, yeah)
Get down to the bone
Heart and soul, I've got to have it all
It's got to be special
(Special)
You sit me on the top of your world
Can't take your eyes off me
You say that I'm your baby girl
Well, that's oh so sweet
Boy have you got what it takes?
Something special
(Yeah, yeah, yeah)
Don't think this beauty's skin deep
(Yeah, yeah, yeah)
I need more than you're giving me
Skin deep
(Yeah, yeah, yeah)
Get down to the bone
Heart and soul, I've got to have it all
It's got to be special

(Special)
Down, down, take it to the bone
Get to the beauty within
Down, down, take it to the bone
Got to discover me
Down, down, take it to the bone
Open your mind and come in
Down, down, take it to the bone
Don't think this beauty's skin deep
(Yeah, yeah, yeah)
I need more than you're giving me
Skin deep
(Yeah, yeah, yeah)
Get down to the bone
Heart and soul, I've got to have it all
It's got to be special
(Special)
I got to have it all
Don't think this beauty's skin deep
(Yeah, yeah, yeah)
I need more than you're giving me
Skin deep
(Yeah, yeah, yeah)
Get down to the bone
Heart and soul, I've got to have it all
It's got to be special
(Special)
It's got to be special
