

# Firestarter

## Jimmy Eat World

I'm the trouble starter, pumpkin instant getter  
I'm the fear addicted, danger illustrated  
I'm a twisted, you're a twisted  
I'm a twisted, firestarter I'm the bitch you hated, filth infatuated  
I'm the pain you tasted, will intoxicated  
I'm a twisted, you're a twisted  
I'm a twisted, firestarter I'm the self infected, my detonator  
I'm the one infected, twisted annihilator  
I'm a twisted, you're a twisted  
I'm a twisted, firestarter I'm a, I'm a twisted, you're a, you're a twisted  
I know I'm a twisted, firestarter  
I'm a, I'm a twisted, you're a, you're a twisted  
I know I'm a twisted, firestarter, firestarter
