Remember

Atb

I can feel you across the miles of my body
Almost physical, spiritual
Like there is no separation -
Like you were right beside me like a riverI can feel forever in my mind
I can always reach for you inside
We can stay together in our minds
Feel you like a river, never dieRemember the bridge we crossed?
Sun streaming out through the leavesJust energyI can feel forever in my mind
I can always reach for you inside
We can stay together in our minds
Feel you like a river, never dieAnd I feel you, feel you, feel you like a riverAnd I feel you, feel you, feel you like a riverI can feel forever in my mind
I can always reach for you inside
We can stay together in our minds
Feel you like a river, never dieOhh, ohh
And I feel you, feel you, feel you like a riverOhh, ohh
And I feel you, feel you, feel you like a river
