

# The End Of Everything

## Powerman 5000

(The fate of our civilization rest upon the finding of this group, and I say it is definitely doomed)Yeah  
YeahWhat's between the head and the hand  
Understand that the world is much smaller than you (yeah)  
And when you think you know what you know  
Then you find there's something else that you can do (hey, hey)Tonight's the night, the night that we ride (hey,  
hey)  
Tonight's the night we live or we die (hey, hey)  
Tonight's the night, the night that we ride (hey, hey)  
Tonight's the night we live or we dieWhat's between the head and the hand  
Understand that the world is much bigger than you (hey, hey)  
And when you think you know what you know  
Then you find there's something else that you can't doRight!  
Go forward, step back yeah and I'll tell you when you got it  
Yeah you got it, come on  
Go forward, you can't hide yeah  
Cause it's the end of everything, come on, come on (yeah)What's between the head and the hand  
Understand that the world is much different than me (yeah)  
And when I think I see what I see  
Then I find there's something else that I can be (hey, hey)Tonight's the night, the night that we ride (hey, hey)  
Tonight's the night we live or we die (hey, hey)  
Tonight's the night, the night that we ride (hey, hey)  
Tonight's the night we live or we dieRight!  
Go forward, step back yeah and I'll tell you when you got it  
Yeah you got it, come on  
Go forward, you can't hide yeah  
Cause it's the end of everything, come on, come onCome on, come on (come on, come on)  
Come on, come on (come on, come on)  
Come on, come on (come on, come on)Go forward, step back yeah and I'll tell you when you got it  
Yeah you got it, come on  
Go forward, you can't hide yeah  
Cause it's the end of everything, come on, come onGo forward, step back yeah and I'll tell you when you got it  
Yeah you got it, come on  
Go forward, you can't hide yeah  
Cause it's the end of everything, come on, come on
