Flames

Jeremy P Caulfield

Close your eyes, let me touch you now
Let me give you something that is real
Close the door, leave your fears behind
Let me give you what you're giving me
You are the only thing
That makes me want to live at all
When I am with you
There's no reason to pretend
That when I am with you I feel flames again
Just put me inside you I would never ever leave
Just put me inside you I would never ever leave you
