

# Flames

**Jeremy P Caulfield**

Close your eyes, let me touch you now  
Let me give you something that is real  
Close the door, leave your fears behind  
Let me give you what you're giving me  
    You are the only thing  
    That makes me want to live at all  
    When I am with you  
    There's no reason to pretend  
    That when I am with you I feel flames again  
    Just put me inside you I would never ever leave  
Just put me inside you I would never ever leave you
