

# Love Is Darkness

[Sander Van Doorn](#)

I can tell by your face  
That you're leaving me again  
You don't know what you want  
But you just need some time to think I know it's over  
But I'm still waiting for another chance  
One more change of heart Love is darkness when you leave  
Under cover of the night  
To find another place underneath the morning light Oh, love is darkness, darkness Love is darkness when you  
leave  
Under cover of the night  
To find another place underneath the morning light Oh, love is darkness, darkness
