I Like

Kut Klose

Tender lovin'
Is what I want
Don't wanna rush at all
Let's take it nice and slow honeyCaress my body
And hold me tight
Don't let me go baby
Until I get enoughBaby tonight
The lovin' is right
You know how I like it
You know how I want itI like the way you tease me
I like the way you squeeze me
I like the way you touch me
I like the way you sex meTurn down the lights baby
Take off what you have on
Let's do it to the music
Come bring your lovin' onMy body's yearnin' for you baby
For a taste of your love
Only you can fill this appetite
Come on and satisfy my loveBaby tonight
The lovin' is right
You know how I like it
You know how I want itI like the way you tease me
I like the way you squeeze me
I like the way you touch me
I like the way you sex meI like the way you tease me
I like the way you squeeze me
I like the way you touch me
I like the way you sex meBaby don't hold back on me
Give me everything you've got
I wanna give you all my lovin'
It will be good to the last dropBaby don't hold back on me
Give me everything you've got
I wanna give you all my lovin'
It will be good to the last dropI like the way you tease me
I like the way you squeeze me
I like the way you touch me
I like the way you sex meI like the way you tease me
I like the way you squeeze me
I like the way you touch me

I like the way you sex meI like the way you tease me
I like the way you squeeze me
I like the way you touch me
I like the way you sex me
