

An Echo, a Stain

Björk

She touched my arm and smiled
One of these days soon, very soon
Love you till then
I love you till then Feel my breath on your neck
And your heart will race
Don't say no to me
You can't say no to me
I won't see you denied I'm sorry you saw that
I'm sorry you did it
An echo
A stain
A stain I can't say no to you
I can't say no to you
Say nothing
Free falling
