

Ashtray

Smoke DZA, Domo Genesis & ScHoolboy Q

I can't pay the rent, the 20 bucks I made last week's already spent
The landlord's at the door and there's dried beer and cigarette butts on the
floor

Can't seem to go to work and let some fucker treat me like a piece of dirt
Get out of bed, my head is fucking screwed
And my life is really going down the tubes
I don't know what the fuck to do

Got half a pack of cigarettes and my wallet is completely bare again
I might be broke but I don't care, I just watch TV in my baggy underwear

Monday morning 9:00, I gotta get out and start looking for a job

I don't want a career, I got enough to deal with here

And I shelled out my last 7 bucks for beer

I don't know what the fuck to do

I see the room before my eyes, a rotten pizza covered up with flies

This just ain't the life for me, don't wanna end up like Lenny, Jake and Jesse

Can't seem to go to work and let some fucker treat me like a piece of dirt

Get out of bed at noon, my head is fucking screwed

And my life is really going down the tubes

I don't know what the fuck to do
