Janet Jackson

Fire in the house
Burn that son of aWhooo, I'ma shut this down
Kitty kat, meow, meow, meow, meow, meow
Hit it with the he, to the he to the how
Miss Jackson, oh she wear the crown
Brand new sound, got a brand new style
Coming with the banger like Boom Boom Pow
Wow, ooh, ooh, ooh, child
Janet Jackson come soon to your townI am never gon', gonna go nowhere
Quick to brag nigga, know I been right here
Lately I've been on, on a mission yeah
That I may never get another move, yeahSo tell me what you wanna do? Louder
But don't do nothin' stupid
What is happening in front of you
All it is is love in the booth
Let's goWhen the DJ play this we gon' dance like no one's watching
Hey Mr DJ, bump the track and won't you turn it up?
I'ma dance all night and I don't care who's out there watching us
Just give me that fire and
I'm gonna show you how to burn it upHurt your body, burn it up more
Burn it up and burn it up more
Hurt your body, burn it up more
That's how I burn it upAin't no sittin' down, gotta keep it up
