

Nobody Loves You

Reuben

Oh... you're all alone,
Oh... I know it can feel like that,
Oh... and no one knows,
Oh... just how much you have to offer, So here it is from me to you,
Nobody loves you like I do,
I'll say it twice because it's true,
Nobody loves you like I do, And oh... you're talented,
And oh... but you're impatient as well,
And oh... so quiet down,
'Cause oh... because no one listens when you're angry, So quiet now, between us two,
Nobody loves you like I do,
A feeling that is just for you,
Nobody loves you like I do,
Like I do, like I do,
Nobody loves you like I do,
Like I do, like I do,
Nobody loves you like I do, So don't give up, it's not the way,
And I know the things your Dad will say,
You're not getting any younger,
You're not learning anything, But we never learn unless we're wrong,
And I've been waiting all along,
To congratulate your efforts,
You really showed them who you are, And oh... you lost it out,
And oh... but you gave it all you had,
And oh... and in the end,
And oh... that is the best we can ever hope for,
So here it is, so don't be blue,
Nobody loves you like I do,
Something that is just for you,
Nobody loves you like I do, Like I do, like I do,
Nobody loves you like I do,
Like I do, like I do,
Nobody loves you, Nobody loves you like I do, (Nobody loves you)
Nobody loves you like I do,
Nobody loves you like I do, (Like I do)
Nobody loves you like I do, Nobody loves you like I do, (Nobody loves you)
Nobody loves you like I do,
Nobody loves you like I do, (Like I do)
Nobody loves you like I do
