A Little Bit In Love

Patty Loveless

I don't fall in love as a rule
'Cause it always made me look like a fool
Well it keeps me up late, I can't concentrate
And I pride myself on keeping my cool
But I've got to admit that I'm a little bit in love with youNow I don't want you gettin' me wrong
Because I don't sit up at night by the phone
But then you come around I let my guard down
And I can't seem to leave you alone
But I'll get over it I'm just a little bit in love with youWell I tell myself that a little bit of love can't hurt a big girl like me
But I never have heard of a little heartache and baby that's what's scarin' meSo don't you get your hopes up if I call
Because I always catch myself when I fall
But I've got to admit that I'm a little bit in love with youSo don't you get your hopes up if I call
Because I always catch myself when I fall
But I've got to admit that I'm a little bit in love with you
Yeah I've got to admit that I'm a little bit in love with you
But that's all you get I'm just a little bit in love with you
