Star Pilot On Channel K (Biomekkanik Remix)

S.P.O.C.K

Here's a story you all should know
About our thing and why we we're doing our showWe do what we like and we're having fun
and when we are on stage, you know the party has begunPleasing is our aim, this is not a game
we've been working very hard to get this farWhatever we do, we're in full control
and that is what we call S.P.O.C.K'n'roll
Star Pilot On Channel K
Star Pilot On Channel K
Star Pilot On Channel K
We're gonna get you!
We are nice, friendly and polite
it's a mystery why some wanna fightBeen dealing with some weirdoes in our life
but the truth is revealed and it's full of liesNow we know the right guys, professional and good ones
they care about us and are just as ambitious1+1+1 is normally 3
We are stronger than that in our synergy
Star Pilot On Channel K
Star Pilot On Channel K
Star Pilot On Channel K
We're gonna get you!
Some say we are not being serious
Fools and clowns and total idiotsWe ain't no fake, we believe in what we do
We give a 100% and we're coming to you
We are
S.P.O.C.K
Star Pilot On Channel K
Star Pilot On Channel K
Star Pilot On Channel K
We're gonna get you!
