

# Girl On a Swing

**Kevin Ayers**

She's got a feeling for the spring  
I've got another song to sing Girl on a swing  
    Girl on a swing  
    Girl on a swing,  
    On a swing  
Such a pretty thing She's not a victim of despair  
She's just a feeling in the air Girl on a swing  
    Girl on a swing  
    Girl on a swing,  
    On a swing  
Such a pretty thing She sways, silently she sings  
Her song gives my body wings Girl on a swing  
    Girl on a swing  
    Girl on a swing,  
    On a swing  
Such a pretty thing
