

Round Whippin (feat. French Montana) [Remix]

A.CHAL

I'm faded in the car, it's like around one (yo where you at?)

I'm pullin' up, just make sure that you roll some (bet)

4 A.M. drivin' in Rodeo

We out here doin' donuts like tornadoes

Cruisin' past the sun in San Diego

Cause I say so I've been goin' 'round whippin'

All through the night, me with a

A two seater like round whippin'

Gon' get it right, gon' get it right

I've been goin' 'round whippin'

All through the night, me with a

A two seater like round whippin'

Gon' get it right, gon' get it right

Speeding down Pacific like a bullet

If cops come then we gotta lose 'em

On this road they love to hate on you

But I'ma just keep on cruisin'

After hours off La Brea

Top down, but that's just how I stay up

These lazy mothafuckas wanna lay up

See you later I've been goin' 'round whippin'

All through the night, me with a

A two seater like round whippin'

Gon' get it right, gon' get it right

I've been goin' 'round whippin'

All through the night, me with a

A two seater like round whippin'

Gon' get it right, gon' get it right

California dreamin'

Long nights, long weekend

45 at least and

We gon' go up I've been goin' 'round whippin'

All through the night, me with a

A two seater like round whippin'

Gon' get it right, gon' get it right

I've been goin' 'round whippin'

All through the night, me with a

A two seater like round whippin'

Gon' get it right, gon' get it right
