Wouldn't It Be Good

Nik Kershaw

Advisory - the following lyrics contain explicit language:

I got it bad, you don't know how bad you got it
You got it easy, you don't know when you've got it good
It's getting harder, just keeping life and soul together
I'm sick of fighting, even though I know I shouldThe cold is biting
Through each and every nerve and fiber
My broken spirit is frozen to the core
I don't want to be here no moreWouldn't it be good to be in your shoes
Even if it was for just one day
And wouldn't it be good
If we could wish ourselves awayWouldn't it be good to be on your side
The grass is always greener over there
And wouldn't it be good
If we could live without a careYou must be joking, you don't know a thing about it
You've got no problems, I'd stay right there if I were you
I got it harder, you couldn't dream how hard I got it
Stay out of my shoes if you know what's good for youThe heat is stifling
Burning me up from the inside
The sweat is coming through each and every poreI don't want to be here no more
I don't want to be here no more
I don't want to be here no moreWouldn't it be good to be in your shoes
Even if it was for just one day
And wouldn't it be good
If we could wish ourselves awayWouldn't it be good to be on your side
The grass is always greener over there
And wouldn't it be good
If we could live without a careI got it bad, you don't know how bad I got it
You got it easy, you don't know when you've got it good
It's getting harder, just keeping life and soul together
I'm sick of fighting, even though I know I should
