

# Don't You (Forget About Me)

## Life of Agony

Won't you come see about me?  
I'll be alone, dancing you know it, baby  
Tell me your troubles and doubts  
Giving everything inside and out Love strange, so real in the dark  
Think of the tender things that we were working on  
Slow change may pull us apart  
When our life gets into your heart, baby Don't you, forget about me  
Don't, don't, don't, don't  
Don't you, forget about me Don't you, try and pretend  
It's my feeling, we'll win in the end  
I won't harm you or touch your defenses  
Vanity, insecurity Don't you, forget about me  
I'll be alone, dancing you know it baby  
Come to, I'll take you apart  
I'll put us back together at heart baby Don't you, forget about me  
Don't, don't, don't, don't  
Don't you, forget about me  
Don't, don't, don't, don't Don't you, forget about me  
Don't, don't, don't, don't  
Don't you, forget about me Will you stand above me?  
Look my way, never love me?  
Rains keeps falling  
Rains keeps falling down, down, down Don't you, forget about me  
Don't, don't, don't, don't  
Don't you, forget about me But you walk on by  
Will you call my name?  
As you walk on by  
Will you call my name?  
As you walk away Will you walk away?  
Will you walk away?  
Come on baby, call my name  
I say, will you call my name?  
I say la la la Will you call my name, baby?  
Won't you please, let me feel like  
[Incomprehensible]  
I know I feel you Let me see my hands before you  
Let me see your hands before me  
I said, why don't you call my name?  
I need, want you to call my name

I need you to call my name
