Bad For Me

Danielle Peck

I like chocolate but my hips sure don't
I like drinkin' red wine but tomorrow my head sure won't
These are just some things that I love that are bad for me
I like shoppin' but my purse sure don't
I like wearin' high heels but tomorrow my feet sure won't
These are just some things that I love that are bad for me
But of all the things I shouldn't do, number one is lovin' you
There's a fatal charm in your faithless arms
Why is everything that feels so dang good bad for me?
I like fast cars but the law sure don't
I like partyin' late but tomorrow my boss sure won't
These are just some things that I love that are bad for me
But of all the things I shouldn't do, number one is lovin' you
There's a fatal charm in your faithless arms
Why is everything that feels so dang good bad for me?
Oh, I like danger but common sense sure don't
Tonight I'll like your sweet lies but tomorrow my heart sure won't
These are just some things that I love that are bad for me
But of all the things I shouldn't do, number one is lovin' you
There's a fatal charm in your faithless arms
Why is everything that feels so dang good bad for me?
Oh, you're one of those things I love
But you're bad for me, so bad for me
