Staying Home (Original Mix)

DBFC

I would kill for a sign
Something to keep my head on a srew
All she needs is a fool
Doesn't know what to do
Feel the chicks in the ground
And when I get off
I get more confused
I'm here but I'm gone
Don't wanna be found
I'm staying home
Staying home
Staying home
Staying home
I'm just hanging around
My world's upside down
When you promised the truth
And when you get off
I wanna get off with you
My head in the??
And the drugs won't do
I'm staying home
Staying home
Someone needs another love
Someone needs another love
Someone needs another love
Someone needs another love
Someone needs another love
Someone needs another love
Someone needs another love
Someone needs another love
Someone needs another love
