

Roni (Remix)

Bobby Brown

The truth about a roni, she's a sweet little girl
You could treat her right, real nice and hold her tight
Only tender ronis can give a special love
A special kind of love that makes you feel good inside If you believe in love and all that it can do for you
Give it a chance, girl, you'll find romance
And if you find a tender roni that is right for you
Make it official, give her your love My heart
(Ouh)
Belongs to a roni
(She's my only love)
She's my only love
(My only heart, baby)
My heart
(Yeah)
Belongs to a roni
(She's my only love)
She's my only love The truth about a roni, she's always on the phone
Talking to her homeboy, wishing they were home alone
She'll send you lovely letters with the smell of sweet perfume
This is what a real tender roni likes to do for you And if you believe in love and all that it can do for you
Give it a chance, girl, you'll find romance
And if you find a tender roni that is right for you
Make it official, give her your love, ooh, yeah My heart belongs to a roni
(She's my only love)
She's my only love
(My only heart)
My heart belongs to a roni
(She's my only love)
She's my only love The truth about roni, she's a sweet ol' girl
About the sweetest little girl in the whole wide world
She'll make the toughest homeboy fall deep in love
Said once you had a roni you will never give her up She's a special kind of girl that makes her daddy feel proud
You know the kinda girl that stands out in crowds
Found a tender roni and the roni is so right
I think I'm gonna love her for the rest of my life If you believe in love and all that it can do for you
And if you find a tender roni that is right for you
Make it official, give her your love, ooh, yeah My heart belongs to a roni
(She's my only love)
She's my only love

(My only heart)
My heart belongs to a roni
(She's my only love)
She's my only love The truth about roni, she's a sweet ol' girl
About the sweetest little girl in the whole wide world
She'll make the toughest homeboy fall deep in love
Said once you had a roni you will never give her up She's a special kind of girl that makes her daddy feel proud
You know the kinda girl that stands out in crowds
Found a tender roni and the roni is so right
I think I'm gonna love her for the rest of my life My heart belongs to a roni
She's my only love
(My only heart)
My heart belongs to a roni
(She's my only love)
She's my only love The truth about roni, she's a sweet ol' girl
About the sweetest little girl in the whole wide world
She'll make the toughest homeboy fall deep in love
Said once you had a roni you will never give her up She's a special kind of girl that makes her daddy feel proud
You know the kinda girl that stands out in crowds
Found a tender roni and the roni is so right
I think I'm gonna love her for the rest of my life My heart belongs to a roni
She's my only love
