

While I'm Here

House Of Pain

While I'm here, I'd like to thank
While I'm here, I'd like to thank
While I'm here, I'd like to thank
While I'm here, I'd like to thank
Cockni O'Dire and my man, Divine
(While I'm here, I'd like to thank)
Danny Boy, you my brother till the end of time
(While I'm here, I'd like to thank)
The big boss Ross, for engineerin' the track
(While I'm here, I'd like to thank)
My man Bilal Bashir, for his backyard shack
(While I'm here, I'd like to thank)
My man Sadat X, for a pocket full of stress
(While I'm here, I'd like to thank)
And my man Diamond, for when he kicks it out west
(While I'm here, I'd like to thank)
For my man J. Disco and fly tie, too
(While I'm here, I'd like to thank)
My man Frank Barr, for the phat tattoo
(While I'm here, I'd like to thank)
My peoples King Emms and Mike Nadone
(While I'm here, I'd like to thank)
Killa Rhyme Klik, the kings of the microphone
(While I'm here, I'd like to thank)
My man DJ Lee, 'cause his beats are so stank
(While I'm here, I'd like to thank)
And these are just a few people that I wish to thank
(While I'm here, I'd like to thank)
My man Lucky locked up and Avinar
(While I'm here, I'd like to thank)
My man Albee, just for chasin' squals
(While I'm here, I'd like to thank)

I got a whole lotta love to give
I still got a lotta love to give
Still got a lotta love to give
I got a whole lotta love to give
(While I'm here, I'd like to thank)
My girl T-Love, for the hook up and vibe

(While I'm here, I'd like to thank)
And Dilated Peoples be down with the Tribe
(While I'm here, I'd like to thank)
A yes, y'all, I 'Lowball' with Peter Greene
(While I'm here, I'd like to thank)
Killa Rhyme Klik be wreckin' the scene
(While I'm here, I'd like to thank)
I still got a lotta love to give
I still got a lotta love to give
I still got a lotta love to give
I got a whole lotta love to give
I still got a lotta love to give
I still got a lotta love to give
I got a whole lotta love to give
I still got a lotta love to give
(While I'm here, I'd like to thank)
I still got a lotta love to give
I still got a lotta love to give
(While I'm here, I'd like to thank)
Still got a lotta love to give
I got a whole lotta love to give
(While I'm here, I'd like to thank)
I got a whole lotta love to give
I got a whole lotta love to give
(While I'm here, I'd like to thank)
I got a whole lotta love to give
I got a whole lotta love to give
