Bow-wow
Chi-hua-hua-hua-hua-hua!
Dog, bad dog, bad dog, best dog
Bow-wow-wow-wow-wow
Chi-hua-hua-hua-hua-hua!

Einar
It were aliens who started this green popularity
Sure were aliens

Einar
They are green
Want everything
Green and brown
No mistake
New demand
Will be made
All must be green
Everything

Einar
When they land
The aliens would be made the laughing stock of planet earth
They are green
They intend
To occupy
Planet earth
They have green
Want everything
Green and brown
