

Dark Frozen World

Rhapsody of Fire

'Nekron's dark pages proclaimed the worst
Of all the known prophecies
Erian's book, the only possible way to stop it
Had to be foundThe hour had come to answer
The angels' last desperate callArcana mala dicta
Arcana mortifera
Ad gloriam
InflammatuSed ubi, ea sunt
Comperta in regno
Pars dole, dolere
Vulnus mortiferumSed ubi, ea sunt
Pars dole, dolere
Age quod, quod agis
Tenebrae infernaeGelidus tremor
Vulnus mortiferumArcana mala dicta
Arcana mortifera
Gelidus tremor
