

Glory Was the Word

John Ludwig

We just heard a song, a song about joy
Like nothing we ever heard
The heaven's burst forth about a Savior boy
And glory, glory, glory was the word
A lotta folks sayin' we're no account
Just sheep herders in some field
But tonight the angels came to us first
When God's glory, glory, glory was revealed

CHORUS

And glory is the word, glory and might
Joy down in Bethlehem
That blazes in the night
That blazes through the night
That blazes, through the night
Angels sang how God was pleased
And offered His peace on earth
We couldn't believe they'd come tell us
Of the glory, glory, glorious Savior's birth
He was laying peaceful in a little manger
The kind I have in my own home
And we all believed he'd be there for us
On his glory, glory, glorious throne

Repeat CHORUS

1st verse

And glory, glory glory was the word (repeat)
