

# Swang N Bang

## Kirko Bangz

[Chorus]

Feel like I wanna swang n' bang

Feel like I wanna, feel like I wanna

Feel like I wanna swang n' bang

Feel like I wanna swang n' bang[Verse 1]

Yeah, swigity swang it to the left and I swigity swerve

All this ice on my neck, look like that what George Gurban

Throwback Michael Laurence, swangin' on a suburban

Tryna make the money flip like that boy with the [?]

Summertime in my city, wood grainin', I'ma grip it

Give me the cup, give me the ice, give me the drink, I'ma sip it

Trunks popped, top shops, still ballin' in the [?]

Those slugs 'bout age like it's 1996

I'ma slip, I'ma slide, boys that got lava

Peanut butter seats on my ass, I'm reclinin'

Gosh you're so skilled, keep my hand on the wheel

Pulled up on my uncle, had some slabs on the grill

It's soin' down in the hood, man, it's live in the hood

Today's a good day, nobody died in the hood

Summertime in the H-Town, I'ma climb

Got these poppers lookin' at me 'cause I'm showin' my surround[Chorus]

Feel like I wanna swang n' bang

Feel like I wanna, feel like I wanna

Feel like I wanna swang n' bang

Feel like I wanna swang n' bang[Verse 2]

Whether it's sunny or gray we gon' ball n' parlay

Laid back in the shade, rockin' razer face

Got the Volv's with the swings, still throwin' the game

Trunk popped, let it bang, think I'm hoggin' the lane

Start ridin' through the boroughs, I ain't huggin' the curb

20 ounce water bottle and I filled it with syrup

Last house, let 'em peak, take a loot at my teeth

Flippin' it down on i10, 'bout to go to the East

Tryna bring that capper, I'm a perpetrate packer

I'm a bitch nigga slapper and a fast ass tapper

Top drop smokin' reef, all my Qs and Ps

Hatin' niggas around me, so I move discrete

Laid back, start ridin' in a Gucci and a Prada

Put 100 thousand dollars in my niece pinata

Summertime in the H-Town, know I gotta climb  
Got these poppers lookin' at me 'cause I'm showin' my surround[Chorus]
