Lucky Strike

Maroon 5 Lucky Strike

You?re such a motivator, got to get your way
So sick of saying yes sir, yes sir
You?re such an instigator; you wanna play the game
Take it or leave it, that?s her, that?s her
And I can't wait another minute
I can't take the look she's giving
Your body rockin?, keep me up all night
One in a million, my lucky strike
Got me so high and then she dropped me
But she got me, she got me, she got me (yeah)
Took me inside and then she rocked me
She keep me up all night, this is what it sounds like
Whooooa, oh oh oh
My lucky strike
Whooooa, oh oh oh
My lucky strike
Whooooa, oh oh oh
Your body rockin, keep me up all night
Whooooa
One in a million, my lucky strike
Stuck in her elevator
She takes me to the sky
And I don't wanna go down, go down
She said I?ll feel you later; go ahead and fantasize
She makes me want it right now, right now
And I can't wait another minute
I can't take the look she's giving
Your body rockin?, keep me up all night
One in a million, my lucky strike.
Got me so high and then she dropped me
But she got me, she got me, she got me (yeah)
Took me inside and then she rocked me

She keep me up all night, this is what it sounds like
Whooooa, oh oh oh
My lucky strike
Whooooa, oh oh oh
My lucky strike
Whooooa, oh oh oh

Your body rockin, keep me up all night
Whooooa
One in a million, my lucky strike
Hey, you?re takin? all my pain away
You?re shakin? like an earthquake
Hey, you?re takin? all my pain away
You?re shakin? like an earthquake
Got me so high and then she dropped me
But she got me, she got me, she got me (yeah)
Took me inside and then she rocked me
She keep me up all night, this is what it sounds like
Whooooa, oh oh oh
My lucky strike
Whooooa, oh oh oh
My lucky strike
Whooooa, oh oh oh
Your body rockin, keep me up all night
Whooooa
One in a million, my lucky strike
My lucky strike
Whooooa, oh oh oh
My lucky strike
Whooooa, oh oh oh
Your body rockin, keep me up all night
Whooooa, oh oh oh
One in a Million
