

# It Ain't Right

## Mats Ronander Blues

There go your big black Limousine  
You're shakin' your booty for the magazine  
Pickin' an' posin' like a wannabe  
It ain't right, it ain't right, such a waste of life  
Maybe you forgot how we live down here  
People work hard for their money, dear  
You had such a hard day lookin' at the mirror  
It ain't right, it ain't right, honey, such a waste of life  
Another long weekend with your friend  
I thought that party would never end  
Well up to your rehab and gone again  
It ain't right, it ain't right, honey, such a waste of life  
Bop, bop, bop, bop, bop, yeah  
There go your big black Limousine
