

Don't Close Your Eyes (Re-Recorded / Remastered)

KIX

What's you're doing out in the night time
Won't you call me on the phone
Your mama can't solve your problem
When's daddy ever get homeSo you think you're a little bit wild
In the middle of the suicideDon't close your eyes
Don't close your eyes
Don't sing your last lullabyNo one there to hold you
No one is your friend
You live life up and down now
Nightmares on your brainAnother lonely way of hanging round
Don't you take it falling down no noHold on hold on tight
I'll make everything all right
Wake up don't go asleep
I'll pray the lord
Your soul to keepDon't close your eyes
Don't close your eyes
Don't sing your last lullabyDon't close your eyes
Don't close your eyes
Don't sing your last lullaby
