

# Forever and a Day (Always)

## Jewel

The other day you asked me to  
Tell you how much I love you.  
Oh but words so often fail,  
To describe the depth and scale,  
And even though it may sound cliché,  
I'll tell you now in my simple way. My love is as true as the  
Oceans are blue,  
And I always feel this way.  
Just listen to the beating  
That keeps repeating.  
My heart wants to say  
Like Gala and Dali, it's you and me,  
Forever and a day  
Forever and a day, always You watch me turn out the light,  
Wrap my arms around you,  
Say good night.  
Trace our shadows on the wall.  
Thank God for the miracle of it all. My love is as true as the  
Oceans are blue,  
And I always feel this way.  
Just listen to the beating  
That keeps repeating.  
My heart wants to say  
Like Gala and Dali, it's you and me,  
Forever and a day  
Forever and a day, always The road of life winds  
With the passing of time.  
I can hear you say,  
"How can hearts know  
Where love will go  
Beyond today?" And I always feel this way.  
Just listen to the beating  
That keeps repeating.  
My heart wants to say  
Like Gala and Dali, it's you and me,  
Forever and a day  
Forever and a day, always.
