

Drop It Like It's Hot

Minus the Bear

Hey, John, man, have you seen Sarah?
All the girls are dancing
The DJ's spinning R&BDancing
DancingWe went back out to the hot tub
But she wasn't there
And I forgot who I was after"Come on, come on, come on
Come on, come on, come on"
She yelled from the waterThere's lipstick on all the bottles
And the bottles are champagne
Atleast that's how it seemedYeah, that Saturday
Yeah, that Saturday
Yeah, that Saturday
Yeah, that Saturday"Come on, come on, come on
Come on, come on, come on"
She yelled from the water
