

# 4 Seasons Of Loneliness

## Boyz II Men

Oh yea oh oh oh  
I long for the warmth of days gone by when you were mine  
But now those days are memories in time  
Life's empty without you by my side  
My heart belongs to you, no matter what I try  
When I get the courage up to love somebody new  
It always falls apart 'cause they just can't compare to you  
Your love won't release me, I'm bound under ball and chain  
Reminiscing our love as I watch 4 seasons change  
In comes the winter breeze that chills the air and drifts the snow  
And I imagine kissing you under the mistletoe  
When springtime makes it's way here  
Lilac blooms reminds me of the scent of your perfume  
When summer burns with heat, I always get the hots for you  
Go skinny dippin' in the ocean where we used to do  
When autumn sheds the leaves, the trees are bare  
When you're not here, it doesn't feel the same  
Remember the nights when we closed our eyes  
And vowed that you and I would be in love for all time  
Anytime I think about these things I shared with you  
I break down and cry 'cause I get so emotional  
Until you release me I'm bound under ball and chain  
Reminiscing our love as I watch 4 seasons change  
In comes the winter breeze that chills the air and drifts the snow  
And I imagine kissing you under the mistletoe  
When springtime makes it's way here  
Lilac blooms reminds me of the scent of your perfume  
When summer burns with heat, I always get the hots for you  
Go skinny dippin' in the ocean where we used to do  
When autumn sheds the leaves, the trees are bare  
When you're not here, it doesn't feel the same  
This loneliness has crushed my heart  
Please let me love again  
'Cause I need your love to comfort me and ease my pain  
Or 4 seasons will bring the loneliness again  
In comes the winter breeze that chills the air and drifts the snow  
And I imagine kissing you under the mistletoe  
When springtime makes it's way here  
Lilac blooms reminds me of the scent of your perfume  
When summer burns with heat, I always get the hots for you  
Go skinny dippin' in the ocean where we used to do  
When autumn sheds the leaves, the trees are bare  
When you're not here, it doesn't feel the same  
Remember the warmth of days gone by
